TIARA SPORT 43 LE MAKES DEBUT TOUR

HOLLAND, Mich. - October 12, 2020 - After making its debut at the Tiara Yachts Corporate Yachting Center in August, the 43 LE, the first model in the Luxury Express series, embarked on a product launch tour through Lake Michigan and the East Coast. Hull No. 1 will culminate the tour at the 2020 Fort Lauderdale International Boat Show on Wednesday, October 28 through Sunday, November 1.

The 43 LE combines sport styling with luxurious amenities and thrilling performance. The transformational cockpit expands in size with its fold-down terrace and rotating lounge module. The helm chair and companion seat both rotate to join the aft social zone, while the bow provides relaxation via a chaise lounge. Entertainment features are found throughout, including a galley, grill and premium stereo system.

The expansive cabin below deck includes two staterooms: a queen island berth and mid-cabin double berth. A complete head with separate shower provides all of the appropriate overnighting or day-yachting comforts one would need.

With two unique propulsion package options, including triple Mercury 450 Racing or Yamaha 425 engines, the Tiara Sport 43 LE is built for performance. Its integrated electronics and Garmin® Marine Navigation provide power and control at the helm.
